

## PARTICIPANTS CODE OF ETHICS

I pledge to participate in a positive and sportsmanlike manner in the Youth Basketball League by following this Code of Ethics.

- \* I will attend practice and work for the good of my team.
- \* I will listen to the instructions of the coaches and referees and encourage others to do the same.
- \* I will speak positively to coaches, teammates and members of other teams. I will avoid fighting and other inappropriate behavior.
- \* I will pay attention to the game while on the floor or on the bench and will not leave the bench without the coach's permission.
- \* I will not verbally abuse the referees and will accept their calls respectfully.
- \* I will follow the rules for using the gymnasiums including staying off the floor when another game is in progress and not having food or drinks (other than water bottles) in the gym.
- \* **I will not enter parts of the school other than the gymnasium and the restroom. If I am found to be in restricted areas, I understand that I am subject to a one game suspension for the first offense and a three game suspension for each offense thereafter.**

By signing this Code, I promise to conduct myself according to the rules of the Clarke County Youth Basketball League and encourage others to do the same.

**I understand that I am not eligible to play in games without having signed this Code.**
